

# JULY

## AT THE LIBRARY

### We the People

In honor of the 250th birthday of America, several artists are displaying art to celebrate the community's commitment to inclusion, respect, kindness, and support for democracy. A public reception to view the work and meet the artists will be held on July 9th from 5:30-7:00 at the library.

## CONTAINER PLANTING

Join UMaine Extension Horticulturalist Vina Lindley for a free hands-on workshop on growing vegetables, herbs, and flowers in containers. Learn how to plant and care for a thriving container garden throughout the growing season.

In this interactive class, you'll explore which potting mixes work best for containers, how to choose varieties that thrive in small spaces, and how to plant and maintain them over time. Participants will plant one container to take home. Fabric pots, potting mix, and seedlings will be provided, and you're welcome to bring your own container if you prefer (containers must be 5 gallons or less).
